

## ENGINEERING CAREER IN ARMED FORCES AND CAREER GUIDANCE

5 TN Girls Battalion and 6 TN Medical Company NCC along with the Institution's Innovation Council organized a seminar on Engineering career in Armed forces and career guidance on 1<sup>st</sup> April, 2022. Prof. V. Anto, Director of Nethaji Bose Defence Academy, Coimbatore was the guest speaker. The welcome address was given by Cdt. Nisha M H. Then the guest speaker detailed about the special entry of NCC cadets into defence and officer placement in defence . He also had a discussion on comparison of civil service exam and career in Armed forces. He discussed on waive-offs for the NCC cadets in SSB selection process. Different branches in armed forces and scope for engineers in each of them where discussed in detail.

Possibilities in pilot training and the related exams were discussed. He informed us that around 435 officers are placed ever year in armed forces from in and around Coimbatore. He had an interaction about naval selection board and air force administrative office in Coimbatore. He gave a presentation of officers who cleared SSB and now in Armed forces. He discussed on the requirements for military applications and also on the work-life of technical officers in Armed Forces. Then we had an interactive question and answer session for the 15 minutes followed by vote of thanks by Cdt. Mukesh M.
