

## **PSG INSTITUTE OF TECHNOLOGY AND APPLIED RESEARCH**

### ***Sustainable Practices and Advancements in Civil Engineering Conference***

***April 2-3, 2025***

The conference commenced with a Welcome Address by Dr. M.I. Abdul Aleem, HoD/Civil expressed the significance of integrating sustainable practices into civil engineering to meet the demands of the modern world while preserving the environment for future generations. Dr. J. Karthick, the Organizing Secretary of the conference, delivered an informative 'About the Conference'. The inaugural address was given by Mr. M.V. Chary, President – Operations, Jindal Urban Waste Management (Guntur) Ltd. Mr. Chary emphasized the role of the civil engineering sector in managing waste effectively to build more sustainable cities and also, he released the Conference Proceedings. To honor Mr. Chary's contribution, a Memento was presented to him by Dr. Aleem, Head of Department (HOD). This gesture acknowledged Mr. Chary's dedication to sustainable practices in the engineering field. The conference concluded with a Vote of Thanks from Dr. R. Balaji, Organizing Secretary – Civil, who thanked all the participants, speakers, and attendees for their contributions and active participation. The conference provided a comprehensive platform for discussing emerging trends in civil engineering, particularly focused on sustainability and waste management. The two-day event served as an excellent opportunity for professionals to exchange knowledge and ideas, with a strong emphasis on creating a sustainable future through engineering innovation.
